Internet Phone Book

We printed the [Internet Phone Book](#). Oh, the
sounds and smells of print, heaven on earth.
Here is a [photo album](#) while we wait for the
book to be bound and ready for sale.

Open for Business

I'm available for projects within or adjacent
to technology or the Internet.

Posted on 03/03/2025

Website Improvements

I implemented markdown for the messages so I
can link directly to good places like the 2024
winner of Tiny Awards: [One Minute Park](#).

Live walkthroughs

What is net.art/Internet art?

- happens on the internet
- uses the features of the internet
- qualities include :
 - “connectivity, global reach, multimediality, immateriality, interactivity and equality” -Baumgärtel
- The artists are those who try to expand/challenge what a website is
 - Make a point about something (usually digital culture)
 - Or just make you feel something!

Agenda

1. Welcome (back) + (re)introduce yourself
2. Club description
3. Minigame: Switch-to-Flip/ Flip-to-Libre
